UNIVERSITY OF
ALBERTA

Quaecumque vera

“Whatsoever things are true”

The University Coat of Arms

In June 1994, His Excellency the Right Honourable Ramon John Hnatyshyn, Governor General of Canada, presented the University of Alberta with its Coat of Arms. The full Coat of Arms is displayed at ceremonial occasions such as Convocation, and is used by the Chancellor, the titular head of the University.

On the shield is a representation of the topography of Alberta rendered in the colors of the University. At the base is a prairie wheat field symbolizing Alberta's agricultural industry. The wavy gold line above suggests the hills and rivers of Alberta and, in particular, the setting of the University campus. The top of the shield is in gold and separated from the rest of the shield by a line suggesting the Rocky Mountains. The book of learning dominates the design.

On the crest is a Grand-Duc d'Amérique, or Great Horned Owl, the provincial bird and an accepted symbol of knowledge. The Pronghorn, taken from the Provincial Coat of Arms, and the golden bear, mascot of the University, support the shield. Both wear collars of the University colors, as does the owl. At the base of the coat of arms is a grassy mound with wild roses, the floral emblem of Alberta with the University's motto: *Quaecumque vera* (“*Whatsoever things are true*”).

Please Note: The Jubilee Auditorium is a “smoke-free” facility.

The list of candidates for degrees, diplomas, and certificates appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information presented is current as of the program printing deadline.

The assistance of the Music Performance Trust Fund and the Edmonton Musicians' Association is gratefully acknowledged.

Photographs may be taken during the ceremony, but we ask that photographers do not approach the stage area and ensure that aisles and stairways are kept clear.

Greetings to the Graduates

The pomp and ceremony of convocation reflects a long tradition of celebrating achievement at university. Each of you devoted years of study and hard work to accomplish your goals and today your proud families, friends and teachers all recognize and salute your success.

Over one hundred years ago, our founders promised that the university would not be isolated from the world but would share its knowledge and learning with the community to serve the public good. Today you join more than 275,000 University of Alberta alumni worldwide who are fulfilling the promise of building a better world through education.

Learning to live in peace and prosperity will require leaders and citizens with vision, commitment and drive. We hope the knowledge and skills you have acquired during your university years will help you become those good citizens of the world and achieve your dreams.

Congratulations. Enjoy your success and your day of celebration.

Linda Hughes, BA, LLD (Hon)
Chancellor

Congratulations to the University of Alberta's class of 2010! Today is your day to celebrate the successful outcome of years of study, intellectual growth and personal discovery. Today you become a proud graduate of the University of Alberta, one of Canada's leading post-secondary universities.

As you begin the next stage of your journey, be guided by the foundational values of the University of Alberta formed by our first president. At the heart of Henry Marshall Tory's vision were two ideals: first, that the modern university should be for the "uplifting of the whole people" and second, that we should pursue whatsoever things are true: quaecumque vera. With these U of A ideals as your beacon, I urge you to follow the lead of the more than 275,000 U of A alumni who have gone before you and begin to play your own extraordinary part in building, serving and uplifting your community.

Indira Samarasekera, O.C.
President and Vice-Chancellor

My heartfelt congratulations to the University of Alberta's graduating class of 2010.

As graduates from one of Alberta's most distinguished institutions of learning, you are well prepared to enter the next chapter in your life and begin to establish your professional career. Before you look ahead to the future, take some time to celebrate your success and reflect on your time at the University of Alberta.

Our province continues to benefit from the University of Alberta's ongoing leadership and innovative spirit. I am confident that you embody this spirit and will use the knowledge and skills you have gained to help lead future generations of Albertans.

I encourage you to pursue your life goals with passion and vigor and to continue to build upon the strong educational foundation you have now established.

Best wishes to you in all your future endeavours.

Honourable Doug Horner
Deputy Premier and Minister of Advanced Education and Technology

Our Traditions

The University Ceremonial Chairs

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded-leather back is carved the University motto *Quaecumque Vera* together with the class year, 1922, and the University emblem.

In 1987, the family and friends of Dr Charles Malcolm Macleod, Chair of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of two additional chairs for use by the President and the Chair of the Board of Governors at Convocation.

In 2006, a fourth chair was donated in memory and honor of Lois Elsa Hole, beloved Chancellor (1998 – 2000) and Lieutenant Governor (2000 – 2005), by Earl Evaniew, Sandra Kereliuk and their daughter Jennifer. This chair becomes part of the seating arrangements on stage, when the Lieutenant Governor or other high profile dignitaries attend the convocation ceremonies.

University Ceremonial Chairs

The University Flag

The University Flag has a gold background and bears the shield of the Coat of Arms.

University Flag

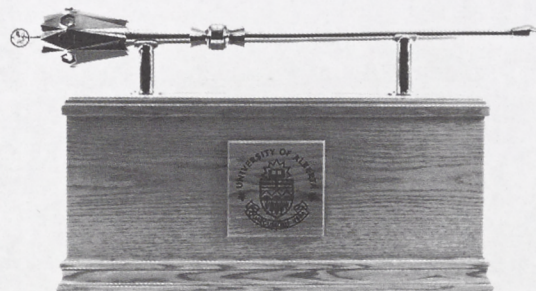

The University Mace

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 – 1970. It was presented by his son, Michael Galbraith, on behalf of his father on 26 May 1970.

Among its elements are: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf; and the separate charges which make up the University's Emblem. The University motto encircles the staff.

The ceremonial stand for the Mace was donated in 1987 as a memorial gift by family and friends of Dr Charles Malcolm Macleod, Chair of the Board of Governors 1950 – 1966.

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents power—but the power of knowledge and the importance of the University in the community.

The University of Alberta Cheer Song

*Ring out a cheer for our Alberta
A song of praise to Varsity.
For the splendour of our mountains
Our prairies green and gold.
Ranked beneath whose glowing colours,
Thy legions march enrolled.
Our memories will live forever
Beloved University.
We will fight for thee and cheer
And ever hold thine honour dear.
Our Alma Mater U of A
Green and gold! Quaecumque vera!
Guide us through each coming era,
Guide us on through battle gory
To a new and greater glory.*

Convocation

Today's ceremony stems from the medieval tradition. The procession of the guild of teachers, whose solemn assembly, or convocation, is the modern equivalent of the medieval magna congregatio of all Faculties. It is led by the Chancellor and the Chief Marshal carrying the mace, the symbol of the University's corporate authority. The academic gowns, hoods and caps declare, in their various designs and colors, the academic qualifications of the Faculty. The citations and presentations by the Faculty to the Chancellor attest to her and to society the degree of proficiency attained by the students of the University. There follows a visible and public act whereby the universitas magistrorum, acting through its Chancellor, confers upon the students the appropriate degree. It is the act, not a certificate, which constitutes the validity of the degree bestowed. The words "I admit you" and

the placing of the students' hands within the hands of the Chancellor and her associates, bind the students in the appropriate degree to the universitas magistrorum. The students thereafter bear for all time the mark of their association with this University. They have received what the University has been and presently is. Because they bear in themselves the promise of the future, they are what the University hopes to be. Despite its solemnity, convocation is a joyous occasion.

Academic dress at the University of Alberta generally follows the tradition of Cambridge University in the design of the gown, and that of Oxford University in the design of the hood. See Academic Dress on page 78 for a detailed description of ceremonial colors.

Conferring of Degrees

The Presentation

The Senior Dean presents the candidates for degrees with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

The Pledge

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?"

Each candidate replies:

"These things I pledge myself to do."

The Admission

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true."

The graduates remain in their places.

Honorary Degree Recipient

CONGRATULATIONS

Honourable Col. (Ret'd) Donald S Ethell

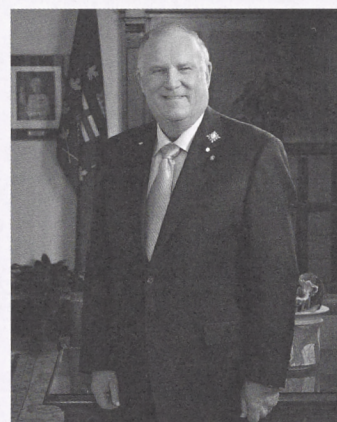

Following a distinguished career in the Canadian Armed Forces and civilian service as a volunteer with humanitarian causes, His Honour, Col. (Ret'd) The Honourable Donald S Ethell was installed as the 17th Lieutenant Governor of Alberta in May 2010.

Born in Vancouver and raised in Victoria, British Columbia, he joined the Canadian Army (Regular) as a rifleman in the Queen's Own Rifles and then moved to the Princess Patricia's Light Infantry in 1970. He was commissioned as an officer in 1972.

A veteran of 14 peace support operations, his military service includes NATO duties in Germany as well as extensive service in Cyprus, Lebanon, Syria, Jordan, Egypt, Israel, Central America and the Balkans. He received the Meritorious Service Cross in 1987 for his work with neutral observers to plan and negotiate large-scale, short-notice prisoner of war exchanges between warring nations in the Middle East. He retired in July 1993 as a highly decorated peacekeeper.

Following his retirement, he became involved with CARE Canada, working with staff responsible for five refugee camps in Eastern Kenya and Somalia. He served as Alberta's director of the International Committee for the Relief of Starvation and Suffering (ICROSS), which delivers medical supplies and equipment to African children and adults facing starvation and AIDS-related illnesses. He is a past member of the Veterans Affairs Canada, Canadian Forces Advisory Council and has chaired various projects focused on strengthening mental health supports for members of the Canadian Armed Forces and the RCMP.

He is an Officer of the Order of Canada, a member of the Alberta Order of Excellence and the Order of Military Merit and a Knight of Justice of the Order of St. John of Jerusalem. A principled leader, The Honourable Donald S Ethell is an outstanding example of informed and engaged global citizenship.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to the Honourable Donald S Ethell:

Andrew Pritchard. *The Microscopic Souvenir Album, Calgary, Alta. Minneapolis: Bloom Bros., [190?].*

This splendid album has 30 stunning black-and-white captioned photographs of Calgary in the early days of the twentieth century. Through the lens of a camera we revisit the First Street West subway, a Mount Royal neighbourhood, St. George's Park Bridge, a handsome sightseeing car, the moonlit Bow River and a beautiful night scene on Eighth Avenue. Additional photographs illustrate many important architectural landmarks that defined Calgary as a prosperous and growing city, including Senator James Lougheed's residence, City Hall, the King George Hotel and the stately Hudson's Bay department store. Through many decades of tremendous growth Calgary has grown into a world-class cosmopolitan city and these early photographs are a wonderful pictorial record of its impressive beginnings.

Congratulations Graduates

Honorary Degree Recipient

CONGRATULATIONS

Yvonne Shi-Wan Chiu

University of Alberta alumna Yvonne Shi-Wan Chiu has led transformative changes in the health, social services, employment and early education sectors in Edmonton.

Early on in her work with settlement organizations, she realized that the problem of access to services was far more complex than language and was bound up in beliefs, social norms and cultural understandings.

Founder of Edmonton's Multicultural Health Brokers Co-operative, the Healthy Community Development Network and the Health Care Citizenship Project, she has championed effective and culturally appropriate services for immigrant and refugee families.

Yvonne Chiu seeks to build bridges of understanding between individual families and Canadian culture. Four pivotal concepts inform her approach to social justice and learning: "access to health care & health resources is a basic human right; immigrants & newcomers have the insights and knowledge about what best supports good health for themselves and their families; systems need to transform in order to truly address health inequities; and lastly, the answer to true equity and justice in our society lies in a deep and genuine 'inter-cultural' understanding between all people."

Yvonne Chiu has engaged in community research to test and validate the work she and her colleagues have initiated, and has served as an advisor on several projects with the Community-University Partnership for the Study of Children, Youth and Families.

In 2004, she was selected as one of Global Television's Women of Vision. In 2007 she received a Peace Builder medal from the YMCA of Edmonton and in 2009 she received a Human Rights award from the John Humphrey Centre for Peace and Human Rights.

Deeply committed to principles of civic engagement, Yvonne Chiu inspires the human spirit through her unconditional belief in the power of people to effect change in their own lives, their families and their communities based on their own wisdom.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Ms Yvonne Shi-Wan Chiu.

Julia Alvarez. *Seven Trees*. North Andover, Mass.: Kat Ran Press, 1998.

This oversized limited edition book of autobiographical poems trace the different stages of the poet's life: her childhood struggles in the Dominican Republic, her daunting immigration to New York and the middle age happiness that she experiences quite unexpectedly in Vermont. Together, the poems are a story of one woman's experience with feelings of estrangement and marginalization, but they can also be read allegorically as references to family trees and the extensive network of branches that connects everyone. The book features seven delicate lithographs of trees and foliage by Sara Eichner, elegant Perpetua typefaces and handmade papers. The unique binding has the look and feel of tree bark, which was specially designed by David Bourbeau. Only 65 copies of *Seven Trees* were made; this copy is 28.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Honorary Degree Recipient

CONGRATULATIONS

Right Honourable Kim Campbell

Canada's 19th and first female Prime Minister, first female Minister of Defence and first female Minister of Justice and Attorney General has spent much of her life promoting the advancement of women and global democracy.

She was her high school's first female student body president and went on to earn degrees in arts and law from the University of British Columbia and to pursue doctoral studies in Soviet government at the London School of Economics. She served Canada with distinction as an elected representative at the municipal, provincial and national levels of government.

Following the murder of 14 young female engineering students, Minister of Justice Campbell responded to the widespread demand for stricter gun controls by undertaking a sophisticated consultation process in order to pass complex new legislation. She also introduced an amendment to the Criminal Code provisions on sexual assault, deftly clarifying the legal definition of non-consent. Following her political career, she served as the Canadian Consul General in Los Angeles and taught at the Center for Public Leadership at the Harvard Kennedy School.

Kim Campbell is past Chair of the Council of Women World Leaders and a founding member of the Club of Madrid, the world's largest forum of former democratic presidents and prime ministers. A trustee of the International Center for the Study of Radicalization and Political Violence at King's College London, she also serves on the advisory board of the Forum of Federations and the Arab Democracy Foundation.

She chairs the steering committee of the World Movement for Democracy and the International Advisory Board of the [Ukrainian] Foundation for Effective Governance. She speaks widely on issues related to gender, leadership, non-proliferation and democratic governance.

One of only 165 living Companions of the Order of Canada, The Right Honourable Kim Campbell is an inspiring role model and a superb advocate for the values of justice and inclusion.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to the Right Honourable Kim Campbell.

Brigit Pegeen Kelly. Iskandariya. Vancouver: Heavenly Monkey, 2007.

This prose poem first appeared in *The New York Times* in 2005, subsequently in the University of Glasgow's *PN Review* in 2007 and was later developed as a limited edition book in collaboration with artist Briony Morrow-Cribbs. The poem begins with a description of how God possibly "misheard" the speaker's request for a fish and was given a scorpion instead. The speaker soon realizes that the scorpion is not merely "an insect" but is instead a beautiful creature with many fine qualities. It becomes clear that God has not made a mistake but has actually blessed the speaker with a magnificent gift. Indeed, the scorpion is a metaphor for great knowledge and wisdom.

The letterpress printing was done at Heavenly Monkey studio in Vancouver with handmade papers from Reg Lissel. This copy, number four, is from the deluxe Boxed Issue (numbers 1 to 15) and includes 12 proofs of all the aquatint illustrations and a pamphlet that chronicles how the artists collaborated on a two-year project with numerous design challenges and intricate printing processes. This copy is one of six with the specially designed vellum binding by Claudia Cohen, which additionally includes a gorgeous suite of etchings hand-coloured by the artist.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Hoods are made in the Oxford pattern of spruce green material. The Bachelor's hood has a border three inches wide of the color distinctive of the Faculty as noted below.
